Department of  
Internal Medicine

## Meet Erinne

**Erinne Branter, BVSc, DACVIM**

Erinne Branter grew up in Victoria, British Columbia, Canada. She completed her Bachelor of Science at the University of Victoria. Upon completion she attended the University of Melbourne Veterinary School in Australia and graduated with Honors in 2006.

Following veterinary school, she completed a small animal rotating surgical and medicine internship at the Animal Medical Center in Manhattan, NY.

Erinne then completed a three year small animal internal medicine residency at the University of Wisconsin- Madison and received board certification in 2011. During her residency, she developed a strong interest in Interventional Radiology/Interventional Endoscopy, and went on to complete the first year-long, full-time IR/IE Fellowship at the Animal Medical Center, NYC. Dr. Branter also headed a full time Interventional Radiology department in Los Angeles for 4 years.

In addition to being endlessly passionate about her field and her patients, Dr. Branter loves the outdoors, is eco-conscious and can be found hiking or biking when not at work. Dr. Branter is also bilingual, speaking both English and French fluently. Recently, Dr. Branter moved back home to British Columbia.
