

## IMPORTANT PRESS RELEASE

### ANIMAL MEDICAL CENTER OF SEATTLE ANNOUNCES: WE'RE MOVING IN THE FALL OF 2019!

*Shoreline, WA Release: August 14th, 2019.*

The Animal Medical Center of Seattle (AMCS) wishes to officially announce that we will be moving to a new, state-of-the-art facility only a mile and a half north of our current location in the fall of 2019 (no later than November 1<sup>st</sup>, 2019). Animal Medical Center of Seattle will continue to be a fully staffed, veterinarian owned, 24-hour emergency and specialty hospital in Shoreline, WA.

AMCS currently shares a building with Animal Surgical Clinic of Seattle (ASCS) at 14810 15th Ave NE in Shoreline. Our current location is no longer large enough to accommodate both practices. ASCS will remain at the current location.

The Animal Medical Center of Seattle's new address this fall will be 17518 15th Ave NE, Shoreline, WA 98155 (formally the Walgreens building) and is conveniently located right off exit 176 on 1-5. An announcement will be made once we have a firm move in date. Until then, you can still find us at 14810 15th Ave NE in Shoreline.

Our hospital has signed a long-term lease for this location, so rest assured we're here for the long haul and are committed to being THE Animal Medical Center for emergency and specialty veterinary services in Shoreline! This new, larger location will allow us to add even more services to our already existing specialties, including neurology and surgery. We will also have an MRI, CT, Hyperbaric Oxygen Chamber and a blood bank! We are excited to meet our new neighbors in Shoreline's North City and look forward to continue providing excellent veterinary care in our new building this fall.
