

It's cold on the streets. **Help!**

For pets of the homeless, it's cold on the streets of Seattle and they need your help.

The Animal Medical Center of Seattle is happy to help by collecting **new or gently used dog sweaters and jackets**. To donate, please drop your donations off at one of our two hospital locations. We will pass them on to Seattle Veterinary Outreach who will ensure your kind gesture will reach a cold animal in need!

Donate: November 29th to February 29th

17518 15th Ave NE Shoreline
WA 98155 (Open 24x7) - Main Building

17534 15th Ave NE, Shoreline
